

2016 *FIRST* Robotics Competition – Greater Pittsburgh Regional

MACHINE SHOPS

Important: Go to Pit Admin first.

Team members must be accompanied by an adult.

Machine shop staff will do the work.

Which machine shop to use depends upon the work needed.

Metal Lathe & Milling → Helsel Hall

Enter, turn right at 1st hallway. Shop is the 1st room on the right.

All other repairs → Coover Hall, Rm 126

(cutting, welding, drilling, bending, etc.)
